

Ontario Blue Knights Rally 🇨🇦

Hosted by: Ontario Chapters VI and X

Knighthood is:

- Enjoying the company of different people who share not only the common bond of a career in law enforcement, but also a love of motorcycles.
- Being able to visit your friends in any of our member countries and be treated like family.
- Receiving get-well cards from people you've never met. (There are no strangers in the Blue Knights, only friends you haven't met.)
- Riding with the Ladies of the Knights and Little Knights who give that added family touch.
- Going to handicapped children's camps, giving the kids rides and seeing the smiles on their faces.
- Various fund-raising activities for those less fortunate.
