Special Advisory / Request:

Please Book Your Rooms at the Radisson Hotel – La Crosse NOW! A recommended deadline is before December 31, 2021. We have reserved a block of 50 rooms, meaning they are only holding 50 rooms for us. If you wait until the last minute, it makes it very difficult to manage the needs of those attending. We either run the risk of having too many rooms (and if not filled, we may have to pay for them), or a more likely scenario, we need more than 50 rooms, and they are not available. There are a record number of events, especially weddings being planned for 2022, we would hate to have someone who wanted to attend, not be able to find accommodations.

We truly hope you choose to join us! After touring the Radisson facility, rooms, amenities, our personal banquet hall, tailgate area, parking area, motorcycle wash station and comparing prices of other hotels, we believe the 2022 Convention will be a great success at the best possible location in La Crosse.
